NEW PROCEDURE FOR HUNTERS ARRIVING AT JIA WITH FIREARMS:

JIA= Johannesburg International Airport

SAPS= South African Police Services

The new SAPS import and export firearms office is now open.

It's located in the International Arrivals Terminal on the landside, between the Banks and the Post Office, between Terminals A1 and A2.

It's also opposite the signboard Food Court and Banks.

1. On arrival at Johannesburg International Airport, on an International flight, passengers proceed to Immigration.

2. Once you have cleared Immigration you go to baggage claim to the carrousel to pick up your luggage.

YOU WILL NOT COLLECT YOUR GUN CASE / FIREARMS HERE, AS THE SECURITY COMPANY (SECURICOR) WILL TAKE IT TO THE SAPS.

Check your bags against your luggage tag, and keep the tag for the Gun case / Firearms separate, as you will need it when you enter the SAPS office.

3. Proceed to clear Customs.

Exit Customs through the Red Channel into the General Meeting Area and go straight to the SAPS import and export firearms office.

If you arrive on a SAA flight from Atlanta, Washington, New York, etc. it will be on your right hand side, as you will be coming out of Terminal A2.

If you arrive on KLM, Virgin Atlantic, British Airways, Air France or Lufthansa it will be on your left hand side, as you will be coming out of Terminal A1.

4. Please take note: The SAPS check the Firearms and issue the Firearm Import/Export Permits, not Customs.
5. When you enter the SAPS office, please ensure that you have all the needed documents ready. Present your luggage tag for your Gun case / firearms to the SAPS. They will then deliver your Gun case / firearms to you. (Securicor will deliver firearms through the back entrance of the SAPS office).
6. Hunters with pre-arrange permits must tell the SAPS officers that they have a pre-approved Import / Export permit.

Lastly when you book a safari you will receive a shirt, Cap and leather covered book. On your second booking you will get a hunting knife and a safari jacket.

If there is any questions on safaris or if you need help please don't hesitate to give me a call.
