AFRICAN Hunting & Adventure Safaris

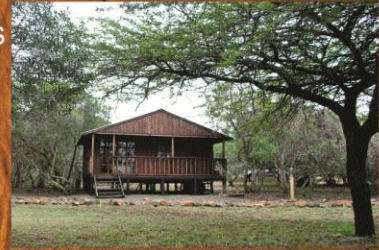

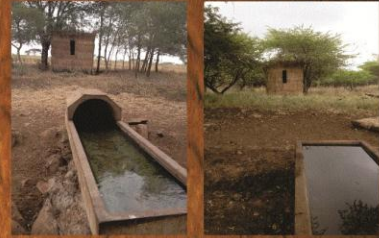

Dear Friends, Fellow Hunters & Adventurers

It is a new year and we are looking forward to a very busy season! We had a Great marketing trip to the USA this year, and would like to thank everyone who helped made this possible! Thank you to all our friends and clients for your wonderful hospitality and for giving us a home away from home! We also want to thank all our new clients, hunters and adventure seekers, for visiting us at all the different Sports men's Expo's. It is your support and love for Africa, that keeps us coming back every year!

After a 2 month trip, we are back home and getting ready to kick off the season with a bang! We updated all our bow blinds for those of you that will be bow hunting and we also have an exciting new lodge & hunting concession. We are looking forward to some serious BIG GAME hunting this year, which includes Buffalo & Lion hunting in South Africa as well as hunting Leopard, Lion & Buffalo in Tanzania from July till end of August!

Just a reminder, we still have 1 Lion Hunt - male/female combo (cancellation with a deposit already paid), available for early October, the second one have already been booked! This is a great opportunity to book that lion hunt you've thought about for so long, for 3/4 of the normal price! This hunt also includes all accommodation and hunting permits, PLUS a private charter from Johannesburg to the hunting area and back. Please contact us via email for more information.

Our first clients will be arriving on the 31st of March and we would like to thank Africa Sky Guest House in Johannesburg, for hosting our clients and getting them sorted out at the airport with rifle permits and overnight accommodation in Johannesburg, when needed. We look forward to welcoming the Wilsons and Thomas's next week, and wish you all safe travels on all your hunting trips this year.

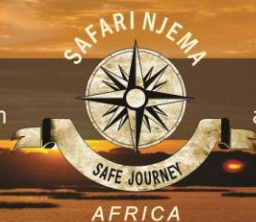

Happy Hunting
