*Dear Friends and Clients,*

*Thank you once again for allowing me into your home through my newsletter!*

*It is a real privilege to know you all and to share some of our experiences and stories with you. If it wasn't for you guys, as the clients, there would have never been any newsletters.*

*2011 hunting season is going strong.*

*Jim Thompson, 5 time returning client, with his sons, returned to our Kimberly Concession. This was to be a father and son hunt. Both boys took wonderful trophies, being guys that were enthusiastic to walk and experience the African Bush, they really got what they were looking*

*for.*

*Brooks took a great Gemsbuck (Oryx) and Dan took a world-class Wildebeest. It was great to spend time with Uncle Jim, especially doing the Ghost Tour in Kimberly. Thank you guys - I'm sure we'll see you back again for a different*

piece of Africa - Zululand!  
Our Hunt Donation for SCI in Charleston Winner, Larry McLain, joined me in Zululand for his hunt. The Donation consisted of 7 Days in Africa with Nyala, Impala, Wildebeest, Warthog, & Shoulder Mounts included in this package. It was Larry's first time to South Africa. Larry previously hunted Zambia, so this was sort of "don't know what to expect" Safari. Larry managed to hunt well but we were really impressed with his shooting

abilities. Well done Larry!

I leave for Tanzania on the 9<sup>th</sup> August. There I will be joined by Boris Volkov & Stu Nyland on their 16 Day Safari in the Selous. Boris and Stu will be sharing the license and we are going to hunt hippo, buffalo, some cats and all other critters that are available on license.
