

AFRICA

Dear Friends, Fellow Hunters & Adventurers

It is a great privilege to sit down once again and tell you about our wonderful adventures the past 2 months! Firstly we welcomed the Thomas's & Wilsons on safari with us. Trent, Patti, Gary & Linda was very excited to start their safari with us in Zululand South Africa. They stayed with us for 8 days and had a very successful hunt, taking beautiful trophies, with time to spare for some sightseeing! On the first day Trent & Patti Thomas took off with PH Piet, while Linda & Gary Wilson spent their time hunting with PH Amanda.

The guys got right into it with Trent taking a Zebra and a Great Nyala while Gary also took a Zebra, all on day 1. The following day Gary took a Huge Blue Wildebeest and a magnificent Nyala bull, both scoring well above average for SCI record. Trent did not stay behind, taking an Impala before lunch. Day 2 was not gone until Trent also took his record book Blue Wildebeest and Gary shot a big old Warthog! Congratulations on some fine shooting guys! All the (duck)walking and stalking was adding up by the end of day 2 and we decided to do some sightseeing the next day. Our hippo boat cruise is always a big favourite in Zululand so the ladies was not going to miss out on this opportunity.

After a morning of close encounters with hippos and crocs, we stopped at our local watering hole for lunch. The next 2 days was hard hunting as Trent was only looking for a Warthog and Gary only had an Impala left to take. By day 6 all the hunting was done and the ladies could enjoy some more sightseeing with their husbands, doing the Elephant Interaction, Game Drives in Hluhluwe/Umfolozzi, visiting the Zulu villages and ofcourse some shopping! We would like to thank Gary, Linda, Trent & Patti for a wonderful safari, it was an absolute pleasure hosting the 4 of you and we hope to once again share more stories, laughter and great friendships around the campfires!

Just 2 days after the Wilsons and Thomas's left us, we met up with Joe & Barbara Spoto, who joined us on a Lion Safari in South Africa! Joe & Barbara took a private charter with PH Piet to lion camp, while PH Amanda drove the vehicle down to our Free State Concession for plains game hunting. Upon arrival at lion camp, it was time to do some target shooting. Joe brought his 416 Remington along for hunting the lion, and it only took 1 shot to know that he was more than capable of placing the shot perfectly. By day 2 Joe shot a Beast of an African Lion and you could tell by the smile on his face that he was very satisfied! Then it was off to the Free State for plains game hunting. Here Joe took a beautiful Sable on his first day. The next couple days that followed called for a lot of walking and stalking luckily uncle Joe was as fit as a fiddle at the age of 74! All the hard work paid off and Joe ended up taking a Hartmans Zebra, Black Wildebeest, Waterbuck, 2 Springbuck and a Red Hartebeest! We just want to say: Uncle Joe & Miss Barbara, it was an honour having the two of you on safari with us! You are very dear to our hearts and we hope to see again soon, Great shooting uncle Joe!!

It is always a great pleasure to be on safari with such wonderful people and we greatly look forward to seeing you all again! Thank you for choosing Safari Njema, where clients become friends and memories are made to share around the camp fire. Until our next Adventure in the African Bush - "Safari Njema" (safe journey)
